

## Plant Operator

Quallion, LLC is one of only two major space battery manufacturers to be truly US-owned and operated; capable of making rechargeable lithium ion batteries. Our Quality Lithium Ion or Quallion chemistry is used in primary and rechargeable cell batteries that provide power storage solutions for Medical, Military, Space/Aviation, Hybrid/Electric Vehicle, and Utility Industries. Our scientists are designing and developing renewable green solutions for our world. Wouldn't you like to be part of that solution?

### Summary:

We are seeking a Chemical Plant Operator to be responsible for the operations and maintenance for a multiple equipment chemical plant.

### Responsibilities:

- Qualified to operate a batch process utilizing various materials/chemicals in a plant environment
- Work with multiple equipment including a high temperature heat reactor, furnaces, and solvent distillers.

### Qualifications:

- 2- 5 years of chemical plant operations experience strongly preferred
- Ability to read, understand, and follow operation instructions
- Ability to multi-task and work in a fast-pace work environment
- Experience in hazardous material handling
- Complete understanding of chemical safety requirements
- Ability to interact with diverse work force
- Demonstrated examples of being accountable and team player
- Knowledge of handling powders and/or organic solvents preferable
- Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.
- Seeking local candidates (no relocation offered).
- Proof of Permanent Resident or U.S. Citizenship documentation required.

### Education

- B.S. in Chemistry, Materials Science, or related fields highly preferred. Associate degree with extensive experience in the field of plant operation will also be considered.

**To apply for this position:** Qualified candidates should send resumes to Quallion LLC, attention Recruitment, [recruitment@quallion.com](mailto:recruitment@quallion.com) and include “**Plant Operator**” in the subject line of the e-mail to be considered.
