QUALLION President Paul Beach Panelist at United States Conference of Mayors Los Angeles Leadership Meeting

Los Angeles, Calif. (July 22, 2011)- Mr. Paul Beach, president of Quallion LLC, will be participating as a panelist at the United States Conference of Mayors (USCM) Los Angeles Leadership Meeting held tomorrow at the JW Marriott Los Angeles- LA Live in Los Angeles, Calif. Mayors for across the US will be in attendance.

At the USCM Summer Leadership Meeting, the mayors will discuss the critical issues and challenges facing America's cities including job creation, rebuilding our nation's infrastructure, and public safety, according to a media advisory release Wednesday, July 20th by USCM.

Conference Details:

Date: Saturday, July 23

Time: 9:00am-10:15 a.m.

Topic: Creating Jobs in America's Cities

Moderator:

Don Graves, *Executive Director*, President's Council on Jobs and Competitiveness

Panelist:

Russell Goldsmith, *Chairman & CEO*, City National Bank

Monica Lozano, *CEO*, impreMedia

Dr. Laura D'Andrea Tyson, *Former Chair*, White House Council of Economic Advisers

Paul Beach, *President*, Quallion LLC

At Quallion, Beach directs all aspect of the company's business operations including sales and marketing, program management, government relations, contracting, compliance and intellectual property. He has been engaged in the Li Ion battery business for over 9 years and has led the company's penetration into the medical, military, aerospace, and green technology markets. Quallion has created over 70 new jobs in the past 2.5 years in connection with the growth of its energy storage business.

Beach joined Quallion in February 2001; prior to joining Quallion he practiced complex litigation specializing in intellectual property matters. Beach is proficient in Japanese and holds a B.A. from Colby College, a J.D. from University of Maine law School, and a L.L.M. from the University of California at Berkeley.

About The United States Mayor's Conference

USCM is the official nonpartisan organization of cities with populations of 30,000 or more. Each city is represented in the Conference by its chief elected official, the mayor. The primary roles of The U.S. Conference of Mayors are to: Promote the development of effective national urban/suburban policy;

-more-

Strengthen federal-city relationships; Ensure that federal policy meets urban needs; Provide mayors with leadership and management tools; and create a forum in which mayors can share ideas and information. The Conference holds its Winter Meeting each January in Washington, D.C. and an Annual Meeting each June in a different U.S. city.

About Quallion LLC

Quallion LLC was founded in 1998 by biotechnology and aerospace entrepreneur Alfred E. Mann and lithium ion battery specialist Dr. Hishashi Tsukamoto. The company designs, fabricates and manufactures state-of-the-art lithium ion cells and battery packs, and develops new battery chemistries for the military, aerospace, medical and automotive industries. Building on its legacy leadership position in the medical device industry, the company has developed a range of novel enabling technologies that include the world's smallest implantable secondary battery and the proprietary Zero-Volt™ and SaFE-LYTE™ technologies. Leveraging its core engineering capabilities, Quallion has established itself as a leader in applications where advanced battery technology, safety, reliability and custom engineering are most valued. Visit www.quallion.com for more information.
